

RENTER'S INSURANCE

WHAT IS RENTER'S INSURANCE?

Renter's insurance provides protection and compensation for personal property if it is destroyed or stolen. It can cover personal property that is damaged by fire, smoke, vandalism, water, hail and wind storms. Renter's insurance may also protect you from accountability if an accident occurs in your dwelling. If an emergency requires you to vacate your home, the renter's insurance may cover temporary living expenditures. With most policies, each tenant must have a renter's insurance policy. *Agencies are listed because of their location. Off-Campus Housing Services does not endorse them in any way.*
